

We believe that the basic skills are the ones we should be practising regularly at home so that they become a habit. That way, they are seen as an interest or game, rather than a task or chore. This is very valuable 'work' for home:

Daily Reading	Device Time	Talk Time
Read, read, read - a schoolbook, home book, newspaper, subtitles or comic and jot it in your reading record	Many of us use devices in our 'downtime' – we encourage you to use educational apps to practice reading and maths skills	At home you can continue to improve speaking and listening skills, and help remember and extend our classroom learning by checking on the Class Story on Class Dojo to see what we get up to

Log-on to these apps for educational 'device time' (where applicable, usernames sent separately):

Termly Project Tasks

We believe that learning 'sticks' best when it connects, is rehearsed and is explored based on personal interest and skill set. An element of choice can motivate us too. So in addition to the 'habits' above that we expect you to do every week, the Project Task is specific to the class theme and brought in at the end of term. It gives time to explore possibilities and perhaps do one big thing or a couple of little things that support our learning in school.

Creativity (3 points)

- Make a 3D model of a Hindu temple.
- Create your own henna, rangoli or traditional outfit design (choose one, two or all three!)
- Cook some traditional Indian food such as samosas, onion bhajis, naan bread or Indian sweets (e.g. barfi).

Research Skills (2 points)

- Find out some greetings that Indians use –
- Research India's weather.
 Do they have the same seasons as the UK?

This term's theme is

"India Spice"

HAND-IN: Friday 22nd March GALLERY: Monday 25th March

Complete projects based on these ideas or **you can add your own ideas too ③**. The 'points' give you an idea of how much is expected across the whole term.

Mathematical Skills (2 points)

Explore your mathematical skills:

- Get an Indian take away menu and choose the items you would order.
- Calculate the cost of the meal you would buy!

Locality & Writing Skills (2 points)

- Visit a local Indian restaurant and try some of the food. Make notes to say what you ate and if you enjoyed it.
- Visit a Hindu temple. And write a diary entry about your experience.
