

## Class 4 - 2024 Spring Homework

*We believe that the basic skills are the ones that we should be practising at home so that they become a habit of life. That way, they are not seen as a task or chore, but simply an interest or game ...*

Daily Reading	Device Time	Talk Time
Read, read, read - a school book, home book, newspaper, subtitles or comic and jot it in your reading record	Many of us use devices in our 'downtime' – we encourage you to use educational apps to practice reading and maths skills	At home you can continue to improve speaking and listening skills, and help remember and extend our classroom learning by checking on the Class Story on Class Dojo to see what we get up to

Log-on to the appropriate apps for educational 'device time' (where applicable, usernames sent separately):
