

# FOES ... Friends of Eagle School

## “NEWSLETTER – September” 2019

Welcome back! Hope you all enjoyed your Summer Holidays.

After a successful couple of terms and a large cheque donated to the school we are preparing again for some fun and fortuitous fundraising! We have welcomed some more members to the team this term which is fantastic news – so if you would like to help with one or two events or bake please feel free to approach one of the team 😊.

We will also be working in conjunction with Eagle Front Room Toddler Group to raise monies for our community and FOES alike. There is a Fashion Show in the pipeline so watch out for our next addition of the FOES Newsletter.

Also, a mention that the Party in the Park was a great and successful community event and we look forward to help flourish the community further.

We have also been busy planning this year's upcoming events 2019-2020, so please take a look at the following date for your diaries....
