

# Attendance Policy

Approved by the governing body on:-	March 2024
Signed (Chair of Governors)	
Review Date	March 2025

This policy reflects the DfE regulations which came into force in Sept 2013 which state:

**‘Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances.’**

Eagle CP School would interpret “exceptional” as being a one-off, unique situation. In this context it would be of unique and significant emotional, educational or spiritual value to the child, outweighing the loss of teaching time. This interpretation will have different parameters from one case to another but requests for authorised absence will be refused unless the circumstances are exceptional.

Eagle CP School is committed to providing a full and efficient educational experience for all pupils. We believe that if pupils are to benefit from education, good attendance is crucial. As a School we do all that we can to ensure maximum attendance for all pupils. Any problems that prevent full attendance will be identified and addressed as speedily as possible.

It is the policy of our School to celebrate achievement and attendance. Attendance is a critical factor to a productive and successful school career. Our School will actively promote and encourage 100% attendance for all our pupils.

Our School will give a high priority to conveying to parents and pupils the importance of regular and punctual attendance. We recognise that parents have a vital role to play and that there is a need to establish strong home-school links and communication systems that can be utilised whenever there is concern about attendance. If there are problems which affect a pupil’s attendance we will investigate, identify and strive in partnership with parents and pupils to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach aimed at returning the pupil to full attendance at all times.

### **Objectives**

- To encourage full attendance and punctuality
- To monitor attendance and apply appropriate strategies to minimise absenteeism
- To acknowledge and celebrate a successful record of attendance
- To ensure a consistent approach throughout the School
- To make attendance and punctuality a priority for those associated with the school including pupils, parents, teachers and governors.
- To provide support, advice and guidance to parents and pupils
- To work effectively with other services and agencies to support these objectives.

### **Information**

This identifies the information held by the school and will be considered when dealing with attendance and punctuality issues:

- Start and finishing times of registration: our doors open at 8.55am and registration opens at 9:00am. A child arriving after 9.05am will be marked as Late. A child arriving after 9:15am will be marked as ‘late after the register has closed’.
- Guidance for staff on the accurate completion of registers.

- The importance of punctuality and the response to lateness. If a child arrives at school after 9:00am they will have to enter school through the main office and a record will be kept. If they arrive after 9.00 they will be marked late. (Less than 90% punctuality will be followed up.)
- If a child is absent, parents must phone the school office on 01522 868354 by 9:00am on that day. If they phone before school hours, they can leave a message on the answerphone. The message must include the reason for absence. If a child is absent from school and parents have not phoned the office, the school office will phone home. If the first contact does not answer, the next contact on the list will be contacted.
- Daily contact between parents and school when a child is absent.
- In line with Health Protection Agency guidelines, a period of 48 hours absence is required for any pupil with vomiting or diarrhoea. Such absence due to illness is authorised.
- If a parent wants to request an absence due to an exceptional circumstance for their child, they must contact the office and fill out a form detailing the reason. This will then be decided by the Headteacher whether it is authorised or unauthorised. Exceptional circumstances include: a family funeral or an immediate family wedding (maximum of 3 days if travelling abroad) and other circumstances at the Headteacher's discretion.
- Routine dental and doctor appointments must be made out of school hours but hospital and emergency doctor appointments will be authorised. You may be requested to provide evidence of these appointments.
- Children should not leave school early unless they have an emergency appointment or there is an exceptional circumstance. You may be requested to provide evidence of these appointments.
- Clear guidance to parents that Headteachers may not grant leave of absence during term time unless there are exceptional circumstances.
- Referral routes with roles and responsibilities for pupils with emerging attendance problems (Parents of pupils with attendance below 95% will be monitored and/or contacted. This is on an individual case basis dependent on the circumstances, for example, a child may have had an operation and need to have 2 weeks absence.
- Monitoring progress towards targets. Evaluation of the impact of the Attendance Policy.
- The inclusion of attendance information in School documentation, e.g. the website, reports, newsletters, home-school agreements.
- Annual reports to parents include a record of their child's attendance.
- The Headteacher's termly report to Governors records the attendance figures for the academic year to date.
- If a parent has concerns about their child's attendance or would like to discuss any matters further, they should contact the school office to make an appointment to see the Attendance Champion (Wendy Daley – Head of School).

### **Monitoring and Evaluation**

It is important to set realistic targets; these targets may be set in consultation with the Local Authority or with the Governing Body. The school will look at those interventions which have been successful as part of the evaluation process.

### **School Target**

Our school target for attendance is set at 98%

### **Persistent Absence Definition**

Attendance below 90% is defined by the DfE as persistent absence. However, pupils are now classed as persistently absent based upon their individual absence level rather than a comparison to a national threshold. The calculation for persistent absence is represented as:

$$\frac{\text{A pupil's individual overall absence}}{\text{A pupil's individual possible sessions}} \times 100 \geq 10.0$$

The DfE guidance explains that if a pupil's individual overall absence rate is greater than or equal to 10%, he/she will be classified as a persistent absentee.

### **Definition Of "Parent"**

Section 576 of the Education Act 1996 defines "parent" to include:

- all natural parents, whether they are married or not; and
- any person who, although not a natural parent, has parental responsibility for a child or young person; and
- any person who, although not a natural parent, has care of a child or young person.

When evaluating success, the school will consider whether:

- Patterns and trends in the school's attendance and pupils' punctuality are improved
- Parental response to absence has improved
- The school has been successful in raising the profile of attendance by celebrating good attendance within the school, governing body and with parents.
- Pupils and parents are fully aware of the importance of punctuality and regular attendance and aware of the attendance procedures operating within school
- Parents and Governors are made aware of the current law on attendance

### **Monitoring**

- Attendance is monitored daily. A weekly report is sent to the Attendance Champion (Wendy Daley – Head of School) to monitor individual children.
- Parents will be routinely contacted if attendance falls below 90% in Autumn term and below 95% from Spring term onwards.
- Every half term, the Attendance Champion monitors all children's attendance across school and children who are less than 95% are monitored and may be contacted via a letter (Letter 1 - see appendix). This is continually monitored every half term and each child is looked at individually. This can depend on the term: in the Autumn term, a letter will only be sent if attendance is below 90% as this will have only been one bout of illness. From the Spring term, anyone with less than 95% will be contacted.
- If the attendance does not improve, a second letter is sent (Letter 2 - see appendix) inviting the parents to meet with the Attendance Champion to discuss any issues and putting actions in place e.g. referred to Early Help, complete an EBSA referral.
- For pupils that further drop below 90%, parents will be requested to meet with the Headteacher and Chair of Governors to attend a SAP (School Attendance Panel). This is a more formal meeting and actions are agreed from it. (Letter 3 – see appendix).

- If attendance continues to fall and is below 90%, a formal letter will be sent (Letter 4 – see appendix) explaining to the parent that it needs to improve or a fine could be issued.
- Finally, legal proceedings will begin (letter 5) if a child's attendance is below 90% and is continually dropping.
- A weekly attendance certificate is sent to all children who have achieved 96% or above attendance that week.
- A termly attendance certificate is sent to all children who have achieved 100% attendance that term.
- A 'well done' on improvement letter is also sent when positive impact is recorded following identified low attendance.

### **Children on part-time timetables**

In some circumstances, a reduced timetable may be suitable for individual pupils. These are implemented after discussion and agreement with home and school. All reduced timetables are submitted to Lincolnshire County Council with a review date of 4 weeks. These children are monitored separately and their attendance is tracked pro rata.

### **Roles and Responsibilities**

- Class teachers take the register each morning and afternoon session.
- The School Office contacts parents/carers if children are absent without prior notification.
- The Headteacher and Governing Body monitor patterns and trends over time.
- The Headteacher is responsible for decisions about any leave of absence requested for exceptional circumstances during term time.

### **Good Practice**

The school will recognise the importance of good practice by:

- Keeping and maintaining registers accurately
- Maintaining a consistent approach to marking registers
- Regularly analysing attendance data
- Ensuring prompt follow-up action in cases of non-school attendance
- Reporting missing children and changes in roll to the LA
- Rewarding and celebrating good and improving attendance through individual letters and certificates saying well done and parental conversations.

It is essential that everyone involved in promoting attendance is clear about the important role that must be carried out in order to raise standards. Promoting good attendance is the responsibility of the whole School.

**Any unauthorised absence is damaging to a child's education as well as reflecting badly on the School. It also gives children the wrong messages about the importance of education which may lead to problems later in schooling. Good attendance and punctuality are important values for later in life.**

**IRREGULAR ATTENDANCE AT SCHOOL: FORMAL WARNING**

**NAME OF YOUNG PERSON:**

**DATE OF BIRTH:**

**REGISTERED PUPIL AT:**

I need to draw your attention to the fact that parents have a duty in law to ensure their child attends school regularly, unless they are unable to do so by reason of ill-health or other legally acceptable reason.

During the period , was absent from school on out of a possible half-day sessions and no valid reasons have been provided. This is an unacceptable rate of attendance and I attach for your information, a copy of the Pupil Absence Record Sheet.

**Section 7 of the Education Act 1996 places upon parents a duty to ensure their child receives suitable efficient full time education either by regular attendance at school or education otherwise. Section 444 (1)(a) of the same Act states that where a parent of a child who knowingly and without reasonable justification fails to ensure regular attendance of a registered pupil at that school, the parent of the child shall be guilty of an offence against that Section. The Local Education Authority may, where necessary, institute legal proceedings in the Magistrates Court under this section of the Education Act 1996 against those parents concerned. #### Attendance Letter

Following a review of the school attendance data, I am writing to you because since September your child's attendance has been less than 90%. This is a great concern to us as a school because lack of attendance can have a serious negative impact on your child's academic achievement, progress, friendships and well-being. It is also an unhealthy habit that may impact their resilience and attitude to working life.

The government is requesting that schools monitor attendance closely and that we act upon any issues quickly so the impact is lessened. When the children move on to secondary school, they are also informed of your child's attendance.

Please make sure your child's attendance improves next year. It is vital that pupil's attendance should be at least 95%; it is your legal responsibility to make sure that they are in school.

I would like to thank you in anticipation of your co-operation in this matter and if you have any concerns, please do not hesitate to contact me.
