

Continuous Learning Plan

In order to ensure that learning is continued, irrespective of lockdown and self-isolation, Eagle CP Primary School has developed the following plan for our remote continuous learning opportunities.

This plan will be applied in the following instances:

- An individual is well, yet self-isolating because of a positive test within the household;
- A group of children are self-isolating because of a case of coronavirus in a bubble;
- The whole school is self-isolating because of a local outbreak;
- A further lockdown occurs

The plan complies with the expectations and principles outlined in the DFE document [Guidance for Full Opening of Schools](#).

Teachers will set work in-line with our curriculum intentions and long term planning overview. They will use a range of resources, including White Rose Maths as this is our existing curriculum planning model.

Children will remain 'connected' with their Class Teacher through MS Teams where we will provide taught sessions and activities. This online learning will provide the opportunity for the children to communicate with their teacher through live video. This will be used for daily Maths and English face-to-face sessions.

Class Dojo will remain in use as our known communication element so that teachers and parents will be able to message to ask questions, share information and offer support. The Class Story page will also include the daily PDF of activities.

We acknowledge that some circumstances may mean that households have limited ability to monitor access to devices for live lessons and may require alternative resources signposting.

Signposting to Oak Academy for additional learning opportunities has been selected to support remote learning as these lessons encourage the use of retrieval practice, explicit teaching with high quality modelling and the use of deliberate practice. The online lessons are free to all and offer a recorded taught session so that the children can access physical teaching from a teacher and then access work relating to that lesson within the same website.

Child Absence (Self-isolating)	Class Absence (Positive case or lockdown)	Class Absence (Teacher unwell)
Daily Powerpoint sent, including links and activities to be completed	2 day grab-pack to allow for set-up and Teams-test Daily PDF, with live lessons for Maths and English	2 day grab-pack to allow for set-up and instructions Daily curriculum-aligned PDF with signposting to Oak/WRM
