

Fees & Early Years Entitlement

Since September 2017, 30hrs free childcare has been available to eligible working families of 3 and 4 year olds. This is an additional 15 hours on top of the 15 hours available to all parents of three and four year olds and can be accessed by registering on www.childcarechoices.gov.uk to receive an 11-digit eligibility code.

Two year old children are entitled to 15hrs of funded provision based on specific eligibility requirements which are also listed on the Childcare Choices Website.

Early Years Entitlement (EYE) Funded Sessions

All children are eligible for 15hrs of funded provision in the term after their 3rd birthday as per the table below:

3rd Birthday	Reduced Charge Begins
1st September – 31st December	From 1st January
1st January – 31st March	From 1st April
1st April – 31 August	From 1st September

Charging

The school adopts the Local Authority Early Years Educational funding team's calendar. This equates to 570 hours of maximum claim for 15 hours early years entitlement and 1140 hours for 30 hour codes funded to the school for your child(ren) (as stated on your Parent Declaration Form). Therefore to balance the funded and non-funded charges, we calculate this across our school term dates as 3 hours per open session. For example, a 3 day week will calculate as 9 funded hours (ie 3 days x 3 hours = 9 funded hours).

Absences from a booked session will still be charged.

Session Information

A minimum of two sessions must be taken per week (following transitional settling) to enable your child to enjoy an active role in all aspects of our pre-school.

Opening times are term time only, Monday to Friday from 9am until 3pm.

Cancellation of a place will be accepted with a full terms notice (4 months).

Prices effective from September 2020

We will review our fees annually due to the ever increasing costs of running pre-school provision, whilst being ever mindful of keeping our services affordable. We will give at least one month's notice of any fee increases.
