

## Class One - Autumn Homework

*We believe that the basic skills are the ones we should be practising regularly at home so that they become a habit. That way, they are seen as an interest or game, rather than a task or chore. This is very valuable 'work' for home:*

Daily Reading	Device Time	Talk Time
Read, read, read - a school book, home book, newspaper, subtitles or comic and jot it in your reading record	Many of us use devices in our 'downtime' – we encourage you to encourage educational apps to practice reading and maths skills	At home you can continue to improve speaking and listening skills, and help remember and extend our classroom learning by checking on the Class Story on Class Dojo to see what we get up to

Log-on to appropriate apps for educational 'device time' such as (where applicable, usernames sent separately):

### Termly Project Tasks

*We believe that learning 'sticks' best when it connects, is rehearsed and is explored based on personal interest and skill set. An element of choice can motivate us too. So in addition to the 'habits' above that we expect you to do every week, the Project Task is specific to the class theme and brought in at the end of term. It gives time to explore possibilities and perhaps do one big thing or a couple of little things that support our learning in school.*

#### Creativity

(3 points)

Make a Night and Day picture of the same place.

Photograph the same scene at various points in the day and look how the light has changed.

This term's theme is

#### "Night and Day"

HAND-IN:

Monday 11<sup>th</sup> December

GALLERY:

Friday 15<sup>th</sup> December

#### Mathematical Skills

(2 points)

Learn to tell the time to the nearest o'clock.

Recite the days/seasons or months and record this.

#### Research Skills

(1 points)

Find out about nocturnal animals on the internet or in a book.

Find out what people used to see in the dark, before electricity.

Complete projects based on these ideas or **you can add your own ideas too** 😊. The 'points' give you an idea of how much is expected across the whole term.

#### Locality

(2 points)

Go for a family walk in the night and talk about what is the same or different.

Talk about the need for safety in the dark.

Take a photo dressed for outside and label the reflective your parts.
