

# Class 1 Homework

Spring Term 2022

## Non-Negotiables

*We believe that the basic skills are the ones that we should be practising at home so that they become a habit of life. That way, they should not be seen as a task or chore, but simply an interest or game ...*

Read, read, read - a school book, home book, newspaper, subtitles or comic and jot it in your reading record. To help develop our early skills, we will send a book home which supports this learning

Little Pink Book will include letter sounds, with actions and rhymes to help us remember our phonics

'App time' – if you have a device, why not find an educational game to play every now and then – Topmarks is good 😊

## Class Story

*We want lots and lots of talk time at home to improve our speaking and listening skills, help remember, explore and learn more so we will post photos of what we get up to, ideas or links to our project*

Check your connection to Class Dojo and check the posts to encourage lots of talk time

## Project Termly Tasks

*We believe that learning 'sticks' best when it connects, is rehearsed and is explored based on personal interest and skill set, with an element of choice and purpose thrown in to motivate*

This term, please complete a project task linked to **Earth and Space** (please refer to the Curriculum Newsletter for ideas).

Bring it to school Friday 25<sup>th</sup> March and we'll make our Project Gallery for Thursday 31<sup>st</sup> March

It really is your choice of what to do or make to reinforce the project theme – try something different to last time ...

Artwork	Sculpture	Artefact	Display / Presentation
Story or Comic	Poetry or Song	Report eg Newspaper	Food/baking
Dance or Drama	Powerpoint or Multi-media	Photograph a Visit	Video recording
