

Class 2 – ‘Home Front’ Summer Homework

We believe that the basic skills are the ones we should be practising regularly at home so that they become a habit. That way, they are seen as an interest or game, rather than a task or chore. This is very valuable ‘work’ for home:

Daily Reading	Device Time	Talk Time
Read, read, read - a schoolbook, home book, newspaper, subtitles or comic and jot it in your reading record	Many of us use devices in our ‘downtime’ – we encourage you to use educational apps to practice reading and maths skills	At home you can continue to improve speaking and listening skills, and help remember and extend our classroom learning by checking on the Class Story on Class Dojo to see what we get up to

Log-on to these apps for educational ‘device time’ (where applicable, usernames sent separately):

Termly Project Tasks

We believe that learning ‘sticks’ best when it connects, is rehearsed and is explored based on personal interest and skill set. An element of choice can motivate us too. So in addition to the ‘habits’ above that we expect you to do every week, the Project Task is specific to the class theme and brought in at the end of term. It gives time to explore possibilities and perhaps do one big thing or a couple of little things that support our learning in school.
