

Dear Parents/Carers

GOVERNOR NEWSLETTER – SUMMER 2022

Much has happened this year at school and although the first part wasn't quite what we would say was 'normal', the latter part has very much been more of what we are used to and enjoy. It has been wonderful to be back together as a school and community.

As a governing body, this has meant that we have also been able to come back together. We have been able to get back to face-to-face meetings; something we have not done for over two years! It has also meant we have re-started visits to the school and are now able to work much more closely with the school through these visits, meeting key members of staff to discuss specific curriculum areas and also by carrying out learning walks.

So far this year, in addition to the statutory tasks that we have continued to carry out such as on-site health and safety checks, we have been in school to:

- 🏆 visit the project gallery
- 🏆 monitor the administration of the year six SATs
- 🏆 review the project books produced each term by each class
- 🏆 visit school to review SEND
- 🏆 monitor break time support
- 🏆 take part in new recruitment interviews
- 🏆 termly Head Teacher meetings

Our project led curriculum has continued throughout the lockdowns and this year and it was lovely to have the gallery open in order to showcase the children's work and learning across all classes. Being able to look and admire all the hard work as a parent and a governor is very pleasing and it's great to see how enthusiastic the children are about producing their additions for the gallery for everyone to see.

I am very much looking forward to the next school year where we can continue to be together and look forward to more occasions like we have had through the summer term.

Enjoy the summer everybody and we look forward to welcoming everyone back in September. I wish you all continued good health.

Very best wishes
Emma Tiffin
