Dear Parents

RE: Data Protection Law

As part of our ongoing work to comply with the 'General Data Protection Regulation' (GDPR) and following the launch of our school facebook page, we must ask you to review your 'opt in' decisions to provide us with your permission and consent to process your personal data.

Please complete the pro-forma overleaf and return to the school office as soon as possible after the May Half term (this information has also been emailed to you).

At Eagle Community Primary School, we need to use and store information about you and your child. This information is 'personal data'. Our Privacy Notice and Data Protection Policy accessed on the School's website www.eagleprimary.org.uk explains how we process that personal data for teaching and learning purposes. This is to ensure that sensitive or private information about yourselves and your children stays safe and also to strengthen your rights over your own data.

If you change your mind at any time or wish to withdraw consent, you can let us know by emailing or calling into the School office.

If you have any questions about how the GDPR affects you or how our school is preparing for the changes you can contact Joe Lee, Data Protection Officer, DPO@ark.me.uk .

Kind regards

Hayley Adams
Head Teacher
