

# Eagle CP School Newsletter

Term 1 Week 2  
Friday 15<sup>th</sup> September 2022

Dear School Families 😊

## Clubs and Extra-Curricular Activities

This week kicked off the start of our club offer for Autumn Term 1. Much as we'd love to run things all year round, in a small school, we all do lots of different jobs so have to balance our time carefully. Nevertheless, it was great playing games, learning codes and getting our shin pads on to get back on the football pitch thanks to the time volunteered by school staff. As well as these, our Sports Coach has led an assembly to promote the sessions that he will run after school on Tuesday on Wednesday – why not sign up with Premier Education to join in that one too?

## Bikeability

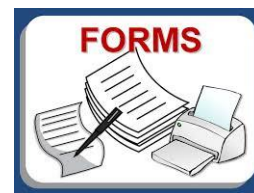

We try to include Bikeability into our Year 5 & 6 curriculum timetable every year as we believe it is important to help teach the skills needed to be safe on the road as our children get older and gradually want to develop more independence. This week, Class 4 have battled the elements to work with Mr Barlow and Mrs Cook from Outspoken Training. Their course gives children the confidence to use their cycles on residential roads by developing cycling skills, creating positive attitudes towards road users and increasing knowledge and understanding of the rules of the road. Given the amount of training in the rain, the children worked hard and earned their badges – well done!

## Celebrating our Children

Every week (well, almost), we start off by setting our stall with a theme, finding out about something in the news or learning about our wider world. We think about how we can apply our Values (*Perseverance, Respect, Integrity, Diligence, Empathy*), the British Values (*Democracy, Tolerance, Respect, Liberty, Law*) or understand Protected Characteristics (*such as Race, Disability, Age, Religion, etc.*). Then, at the end of the week we celebrate how we have applied ourselves as learners and demonstrated our values. This week we started a slightly new format in which our Teachers awarded Lead Learners, our Pupil Ambassadors awarded Values Certificates and our House Captains awarded general positive choices.

## Forms, Forms, Forms

Lots of forms have been sent home since we returned to school to ensure that all our details help are accurate and up-to-date. These include Student Update Forms, Consent for Trip forms and Health Care Plans. It is very important that these are reviewed and sent back as soon as possible. It is very easy to get a new number or have a different emergency contact or even have a health need crop up, so it is important that we double-check our information just in case we ever need to get in touch. Please ensure the update form is signed and returned by Monday 18<sup>th</sup> September, even if there are no changes (simply note: 'no changes'). Many thanks 😊

## Our 'highlights' of the week ...

Little Eagles – The children have been fascinated with the light table. They have marvelled at colours, shapes and sizes.

Class 1 – Luca has enjoyed mixing colours with Mr Leach.

Class 2 – Henry enjoyed using patterns and complimentary colours on my hot air balloon.

Class 3 – Jacob found it interesting learning about the features of a newspaper report.

Class 4 – “Bikeability was good, but our Mexico morning was better!” ... sounds like Millie has loved this week 😊

Kind regards, Hayley Adams
