

Eagle CP School Newsletter

Term 1 Week 3
Friday 24th September 2021

Dear School Families

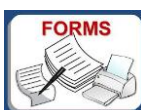

This week our classes have been considering how they can demonstrate their responsibilities and the school values; with our older children preparing to step into new roles including School Councillor and House Captains. Our School Councillors will meet with 'reps' from all the classes and our House Captains will look for evidence of our school values in action to award certificates.

We are looking forward to sharing with you 'who's who' once the children have shared their speeches and the votes have been counted after school today.

Pesky Colds

I am sure you will have read many media posts in relation to nasty coughs and colds (non-covid) doing the rounds since the schools (and university freshers) have returned. Due to the fact that everyone has been cleaning and wearing masks, our immunity to fight colds is lessened and some are being 'hit' with symptoms and feeling quite unwell. Please know that we still have enhanced cleaning regimes in place, we are still encouraging you to test to ensure that we are clear of any diagnosis and we are ensuring that hand-washing/sanitising is in place – but we suspect a few runny noses are on the way. So if anyone has any top tips to help feel better, keep going and build resilience, please feel free to reply to this newsletter email and we will collate and send them on. Be it a cuddly 'cough pillow' (just an extra pillow to raise you up during bedtime); an aromatic 'sniff tissue' (menthol infused hankie to breathe in deeply); or perhaps a drop of essential lavender at the first sight of a sniffle – anything may just be worth a try.

School Forms

Please make sure that you have returned the School Update Form and any Health Care Plans to the office for processing. I am sure you will appreciate how important it is for us to have our records fully up to date.

Team Eagle

Could you or someone you know be a perfect fit to join our school team? We are currently recruiting a Teaching Assistant across the infant age group and a Cleaner for daily hours which are open to some degree of negotiation. If you are interested, please do not hesitate to get in touch with the school office

Our 'highlights' of the week ...

- Little Eagles – We've been 'Down on the Farm', we have had our Pigs in chocolate mud and been tractor tyre printing.
- Class 1 – We all like playing outside with our friends in the sunshine.
- Class 2 – Charlie enjoyed creating his own musical score and playing it on the chime bars, his music represented an animal.
- Class 3 – Faith has told us she has really loved designing the persuasive poster in English.
- Class 4 – Luke enjoyed creating mission patches related to our class novel – we even heard from the author!

Kind regards, Hayley Adams
