Dear School Families

Simple things ...

This week our long-awaited new doors have been fitted (and a couple of windows too). We very much hope that they will help keep us toasty warm when the weather turns and they look great! But best of all, they have 'normal' handles – in fact that was the first thing that Beatrix spotted about them 😊! It's the simple things in life that can make a difference and make us smile.

The children have been absolutely wonderful managing while the works have been taking place, so sensible and polite – well done. And of course, thanks to TWG who have worked hard to fit them with minimal disruption.

Titivating Trees

So much goes on in and around school that we don't always spot. The summer holidays included bits of decorating, door sorting, fixing, sticking and much more. But we still have lots more on our list of 'things to do' which couldn't be fitted into the summer holidays unfortunately, such as the doors. Next week, we will begin our 'tree treatments' – phase 1, our arborist will look after the trees on the field; with phase 2, in 2-3 weeks, being in the Gruffalo Wood. Please look out for areas cordoned off and maintain a distance to ensure that we all stay safe while the works are carried out and tidied up. Thank you.

Online Safety Message

A signpost for this week is about managing screen time, the fear of missing out and body image. All these and more can affect the wellbeing of children. [Internet Matters](https://www.internetmatters.org/) have put together a great series of articles for parents and although aimed at 9-10 year old girls, though it's worth checking to see how they suit your older and younger boys and girls. Updating Records

Student Update Forms/Annual Consent to Trips and Health Care Plans have been sent out. Please ensure they are returned by Monday 25th September, even if there are no changes (simply note: 'no changes'). Many thanks

Our 'highlights' of the week ...

Little Eagles – Rose enjoyed listening to the story “My Mum and Dad make me laugh.”

Class 1 – George had a great time walking around the village with his friends.

Class 2 – Theo enjoyed making a hot air balloon out of Modroc.

Class 3 – Max has liked learning about round numbers “the song was funny!”

Class 4 – Riley has enjoyed writing his own Maya myths.

Best wishes, Hayley Adams
