

Eagle School & Little Eagles Newsletter

Term 1 Week 4
Friday 25th September 2020

Dear School Families ☺

May we introduce ...

Hopefully you will have seen this on the Whole School Story on Dojo, but if you are yet to get up-to-date with what is going on at school please may we introduce:

Head Boy & Girls	Hurricane House Captains	Lancaster House Captains	Vulcan House Captains	Spitfire House Captains

We ask this group of children to represent the school at different events that crop up during the year ... of course, this year we are not too sure what will take place, but you can see that they are chuffed to have this school responsibility nonetheless.

Good fun whatever the weather ...

In this 'quick pose for a photo' you can see our Coach Ash from Premier Education (aka MSP) with our Little Eagles looking as ready as they could be for some outside activity ... even Ash joined in wearing the rain capes!!! We always spend time outside, but now more than ever owing to the safety benefits of outdoor learning we will be outside come rain or shine for planned activities such as PE. Please make sure your child has layers and a waterproof coat as Autumn has certainly arrived. You will be pleased to know that we have a brand new school boiler and we made sure the heating was turned on to warm them up and dry them off, particularly when Class 4 got a bit soggy this week ☺

Thank you xxx

I would like to take this opportunity to thank those of you that have perhaps asked how we're doing or been so kind in sending messages of thanks – it really does make a difference and bring a smile to our day – thank you. It is a challenge with constant cleaning, washing, quarantining, tweaking lesson ideas for safety and preparing for 'if' one of our bubbles may close, but we love having everyone back, caring for their needs and hearing the 'buzz' back in the school. Thank you all for being so tolerant of new routines and to the children for putting up with the relentless hand-wash-conga! ☺

Furthermore, thank you for helping us manage whilst we are all catching the many bugs going round and of course, being very aware of making sure that we are not missing an important symptom. As a reminder, individuals will need a test if they have any of the following:

- A high temperature: any new high temperature where the person feels hot to touch on their chest or back (you do not need to measure the temperature);
- A new continuous cough: coughing a lot for more than an hour, or three or more coughing episodes in 24 hours;
- A loss of, or change in, sense of smell or taste: a noticeable loss of smell or taste or things smell and taste different to normal.
-

Kind regards, Hayley Adams

Eagle CP School, Scarle Lane, Eagle, Lincoln LN6 9EJ
