

Eagle School & Little Eagles Newsletter

Term 1 Week 6
Friday 9th October 2020

Dear School Families ☺

School Harvest Festival

This is usually our first whole school event in which we invite parents to see us share our learning and gather our own harvest for charity. Under the circumstances we face ourselves in, supporting our locality as we usually do seems to be the right thing to do. Therefore, we ask that if you are able to donate any food items from the list attached, we will collect and make class harvest baskets to donate to the Lincoln Larder. Each class will talk about their harvest basket and Canon Vaughn will join us virtually to provide a seasonal message. Please can donations come to the class, week beginning Monday 19th October ☺ thank you.

P.E. Kit

For health and safety reasons it is important that children are properly dressed for any physical activity. No jewellery should be worn for P.E. Long hair must be tied back.

Our uniform for PE is as follows:

- o Burgundy Shorts
- o Light Blue T-shirt (emblem option available)
- o Plimsolls/Trainers
- o Black/Navy/Grey Track-suits or Sweatshirt/Joggers for winter games

PE Kit

Thank you for supporting us in ensuring that your child attends school in their PE kit (or suitable clothes for Little Eagles) for their PE days (KS2 – Wednesday; KS1 – Thursday; LE – Both). It helps maximise the length of the PE provision and helps us to be more covid-secure. Please may I take this opportunity to remind you that we do have a PE school uniform as I have noticed children attending in their fashion sportswear?

Handwashing Update

In follow up to the sore hands mentioned last week, recommendations from pharmacist advice that seem to be working are Cetraben and Epaderm which are the next step up after E45-type hand creams. They are emollients which offer a moisturising treatment and can be applied directly to the skin to soothe and hydrate it. They then cover the skin with a protective film to trap in moisture and help to manage dry or itchy skin among other skin conditions.

Continuous Learning due to Covid-Related Absences Update

As mentioned last week, we are working behind the scenes to ensure that we are prepared to continuous learning to take place should absences occur. Thank you for those who responded as willing to be part of a Team-Test. We are running email and year group updates through the system currently and are testing 'guest' invites with the School Governors. We have also trailed some of our continuous learning materials this week and thank those that have been part of this – the feedback is invaluable.

Parent Consultations Update

We have received a mixture of meeting-type requests and will be working through these as quickly as possible. We will send you an appointment time and details as soon as we can and this will be as close as possible to the time window that you have requested. Thank you for your patience and understanding.

E-safety

Please see attached another family activity sheet with information, ideas and conversation starters to help make sure that e-safety is part and parcel of home:school life.

Kind regards, Hayley Adams

Head Teacher: Mrs H Adams BEd (Hons) QTS, NPQH
