

12 Days of Christmas

We are aware that everyone wants to enjoy the Christmas-ness that comes with being in school at this time of year, but also ensuring that we stay covid-safe. Please see below some of the events we hope to run in line with responding to covid cases.

TUESDAY 7th DECEMBER from 2.30pm

Our official light switch-on when each class will come out to the stage and decorate our school Christmas tree. As they hang their handmade decoration they can 'make a wish'. We would like to invite parents to attend (socially distanced on the field) and we will entertain you with Carols starting with Class 1, through to Class 4.

WEDNESDAY 8TH DECEMBER

This is the day for our whole school **Panto Trip**. We appreciate that we are just coming out of a school outbreak so remind you to reinforce the 'hands/face/space' message and be absolutely certain that your child has no symptoms. You may wish your child to wear a face mask.

SATURDAY 11th DECEMBER

A Christmas Movie Morning Matinée will be held at school. If you would like an hour or so of peace, sign your child up on the FOES PTA site so we know they are coming. This will be held at school and the area will be ventilated and CO² levels monitored.

TUESDAY 14TH DECEMBER

This is the day scheduled for the Infant Nativity. Class 1 and Class 2 will be doing their own performances as we have been separated recently. We very much would like to invite parents to come and watch their children, however this will be monitored in line with covid cases. We may perform outside or possibly inside, but will confirm the venue closer to the time if we feel the case numbers have reduced enough. In the event that this cannot take place as hoped, we will video the performance and share this with you. Class 1 will perform at 10am and Class 2 at 2pm all being well.
