Term 2 Week 1  
Friday 3<sup>rd</sup> November 2023

Dear School Families

Welcome back to Term 2 – always a fun term and lots of thing to look forward to ...

## Year 5/6 Residential ...

The annual residential set off on Wednesday and returned today after a damp-ish few days away at Kingswood, Dearne Valley. The weather was kind enough to not stop us from doing all the activities and we were able to enjoy and at times test our comfort zones to develop many skills such as resilience, cooperation, confidence, patience, stamina and responsibility.

## Forest Schools ...

Over the next four **Monday's** we have arranged for a block of Forest Schools to be delivered in school across November for Years 1-6 (Early Years will have activities led by their Key Workers). Please come to school dressed in suitable clothing:

-  waterproof trousers or a change of trousers
-  waterproof jacket
-  wellies or at least old shoes
-  warm layer (jumper/fleece)
-  hats, scarves etc if needed on the day

It might be prudent to have a change of clothes (ie uniform) 'just in case' we get wet while we are out.

## WOW Day ...

As well as enriching the curriculum with Forest School activities, working with Premier Education we have booked a series of 'WOW Days' to bring an extra boost to PE and fitness through our commitment to support children being active and help pupils to grow and succeed in healthy ways. This will be on **Thursday 9<sup>th</sup> November** and your child will need to come to school in their PE kit.

## And finally ...

Thank you so much for your kind donations for our Harvest collection last term. The weather, well flood, certainly challenged us to share our service in a different way but we got there in the end. The food items are being taken to the Hykeham Foodbank on Saturday where I will get a tour of the provision and find out about the positive impact the service has for families in our area,

## Our 'highlights' of the week ...

Little Eagles – the children have really enjoyed telling the story of "Little Red Riding Hood" using props and puppets. "The better to eat you, Arr!" Pippa shouted.

Class 1 – George liked learning about skeletons.

Class 2 – Oilly has liked learning about the Wright brothers during Class 2's project work.

Class 3 – Beatrix really enjoyed using inverse operations in maths.

Class 4 – We have loved our time at Kingswood, but we're happy to be coming home!

Best wishes, Hayley Adams

Head Teacher: Mrs H Adams BEd (Hons) QTS, NPQH
