Term 2 Week 1
Friday 12th November 2021

Dear School Families,

Thank you for your generosity this week supporting the Poppy Appeal for the 100 years anniversary of the Royal British Legion. We have carried a theme of Remembrance in some of our activities this week and came together on Thursday to respectfully mark the 11th hour, of the 11th day, of the 11th month. Our simple service was simply beautiful; filled with meaning and respect – we were immensely proud of the children.

Children in Need

Next Friday is Children in Need. We appreciate that all these charitable causes are important, however in the spirit of balance, we will reflect on this day and include a cake sale run by the staff during morning break (a healthy snack day off 😊). Cakes will be between 20p-50p for your child/ren to purchase if they bring in some money on **Friday 19th November** in a named purse/envelope/money bag. Many thanks.

Uniform at School

The weather is changing – from freezing cold to unseasonably mild – so it is hard to keep up. Please make sure your child has the right outfit for the day; coats, gloves, waterproof etc as we make the most of outside time each and every day. Also, you may have seen me trying to find owners for lost jumpers this week – please check that the uniform you have at home is yours (it is easy to put the wrong jumper back on) and that your child's uniform is named. It is worth reminding them when they have come out of school that they have all the items they arrived with too.

May I take this opportunity to remind you of the uniform too: burgundy jumper, light blue polo shirt and grey skirt/trousers; with burgundy shorts (or navy/black/grey joggers/leggings), light blue t-shirt and a hoodie/school hoodie for PE. Please note, the hoodie is for PE days only. Thank you 😊

For Parents - How to Protect Children Online

The Marie Collins Foundation and The NWG Network have put together a short article which parents may find useful. It covers What is online harm? How is it different from exploitation offline? How do offenders target young people online?

What can I do? and more. Click [HERE](#) to read more. Also, Internet Matters have created a personalised online safety toolkit for parents to use at home. By answering a few simple questions you can get age-specific advice, learn about popular apps, information on how to deal with any concerns and also tools to support their interests and wellbeing.
