

Eagle School & Little Eagles Newsletter

Term 2 Week 2
Friday 13th November 2020

Dear School Families ☺

Covid-Update Lockdown #2 – keep smiling ☺

I know that during this lockdown, with the circumstance being ‘work as normal but don’t go out anywhere else’, it can feel a little bit rubbish. But in school, we are lucky enough to see your children run, play, laugh, engage with friends and carry on with their learning. As the sun shone on us all yesterday, I saw groups play tennis with our Play Leader; a busy energetic gym group; peaceful and calming watercolour painting; our youngest children enjoy the mild temperatures and laugh, roll and climb in our outside space. Whilst things may seem gloomy, I hope it makes you smile as much as it did me, that our children from aged 2 to 11 have adapted so well and keep smiling ☺

Covid-Contact

Don’t forget, should you experience symptoms (high temperature, continuous cough or loss of smell/taste) please get in touch with us immediately, self-isolate and book a test. If you book a test out-of-schools hours or receive a diagnosis, don’t forget to use our Covid-Phone Line **07938 642536**. This is suitable for calls only - if I do not answer immediately, please call back later to ensure that your message is picked up.

School Togetherness

It is hard to be together, but in our school bubbles we have managed to come together reflect on the key dates this week. On Wednesday, all bubbles socially distanced as we raised the flag to a two minutes silence in our act of Remembrance – it was moving to have local residents step out to pay respects too. This was also the first Head Boy/Head Girls activity in that Mr Anderson and Mrs Higginson took them to the village memorial to reflect for their two minutes within the community.

Today, we also thought about the meaning of Children in Need which will be televised tonight. Whilst we haven’t made this a formal fundraising event, we have got involved with reflecting on its purpose and having some fun

Community Togetherness

This week, I received an email from Canon Andrew Vaughan to say that in their online evening prayer our locality schools are prayed for and thought about. In addition and for your preparation, we have the information for the Virtual Family Services being offered, including an online Christmas Holiday Club and a Family Crib and Christingle service at 4pm on Christmas Eve (poster attached to this newsletter email).

Christmas is coming and we are already thinking of ways to make it as magical as possible. FOES too have some wonderful plans afoot. As a preparatory aside, Christmas cards are a confusing decision as we approach the festive season. The ‘stick not lick’ message is already being shared. Obviously, this is tricky as we know that the virus can survive on surfaces, therefore without any guidance, we currently anticipate putting a quarantine process and delivery deadline in place should your child wish to share cards.

Sainsbury’s LEGO Cards

Don’t forget that we can still organise any LEGO swaps required. We will complete you request as much as possible and do so in a covid-secure, quarantine way. Simply email enquiries@eagle.lincs.sch.uk with ‘LEGO SWAPS’ in the subject line and then list your requests in the body of the email.

Kind regards, Hayley Adams

Head Teacher: Mrs H Adams BEd (Hons) QTS, NPQH
