

# Eagle CP School Newsletter

Term 2 Week 4  
Friday 24<sup>th</sup> November 2023

Dear School Families

## Poppy Appeal

We received our thank you poster from the Royal British Legion Poppy Appeal this week. We are pleased to announce that the Poppy Shop donations added up to £104.20 to go towards making a difference to those in the Armed Forces. If you would like to find out how your donation helps, please visit [www.rbl.org.uk/poppyappeal](http://www.rbl.org.uk/poppyappeal).

## Forest Schools Day 3

Day Three of our Forest School block of enrichment learning was all about the bugs. The children searched the Quiet Garden to see what they could find ... lots and lots of worms were held out on display for me to see. As well as this, the children made seed bombs in preparation for some of the developments that are taking place in the space. Monday 27<sup>th</sup> November is the last Forest School session of this block – please remember to dress according to the weather which is getting much colder.

## Phone System

Yesterday we sent an email and Dojo to draw your attention to the school's new phone system. We have moved with technology and made the necessary changes to a VIOP line (Voice Over Internet Protocol) to use a broadband internet connection instead of a regular, analog phone line. This means the service requires you to make a selection when you connect – you will **always** hear a message first and need to select '1' to report an absence or '2' to speak to the office.

## Fellowship Lunch

This afternoon, Class 1 and Class 2 popped over to the Village Hall to entertain the ladies and gentlemen at the Fellowship Lunch by sharing a selection of songs from the project and music learning. The theme was autumnal and gave us a chance to share some of our Harvest performance to an audience too.

## Our 'highlights' of the week ...

Little Eagles – Emma has really enjoyed using different material to build houses for the 'Three Little Pigs' – "Lots of straw" she said.

Class 1 – Alex C told us he enjoyed brushing the giant set of teeth with his friend Willow.

Class 2 – Hugo enjoyed testing materials to see if they would keep the teddy bear dry during science.

Class 3 – Louise has had fun writing a story about the Home, sweet home film.

Class 4 – Ellie S has enjoyed making Maya masks, inspired by her learning in class.

Best wishes, Hayley Adams

Head Teacher: Mrs H Adams BEd (Hons) QTS, NPQH
