

Eagle School & Little Eagles Newsletter

Term 2 Week 6
Friday 11th December 2020

Dear School Families ☺

Last week I mentioned that 'it's all about Christmas', a little break from Covid. Over this weekend, one of our Year 1 children, Daisy, will be getting her haircut for the Princess Trust to help make wigs from the donated hair. She has also managed to raise over £264 so far towards the cause which shows a wonderful act of kindness from those in our community, sharing our values. Well done Daisy ☺

Hopefully you have enjoyed seeing the events take place in school this week via Dojo and we can't wait for everything that is prepared to fill next week too! Hopefully you have a little time aside to complete the FOES weekend 12 Days activity and competition.

Next week, we have an activity each day:

- Monday: Bauble making
- Tuesday: Reindeer food (a tradition of Eagle School, if ever there was one!)
- Wednesday: Christmas cinema
- Thursday: Christmas party day, lunch and non-uniform
- Friday: Sleep in, get up to un-wrap your FOES gift and see our Christmas Dojo post

Next Friday, the teachers will post the Christmas 'something' that they are busy preparing. We haven't been able to gather for a nativity or Christingle or carols this year, but this is our way to keep these traditions going albeit in a different way.

This then, is a 'secret newsletter'. The staff have been asked to Dojo daily to keep you in the loop, but behind the scenes, I would like to ask a favour. In school, we social distance, we rota a space in the staff room, we clean constantly, we re-work timetables to fit in hand-washing and times to talk about our wellbeing – suffice to say, in school it is very different for staff, but hopefully your children have a sense of normality, even if they see less of their friends across the school.

So that end, I would like to share some thanks. If you think that you could send in a message by return of email for your child's teacher or any member of staff – general or specific – I will print and display for the staff when we attend training on Friday. I was lucky enough to receive a beautifully worded card last week and it made me feel absolutely wonderful, a little teary, but the appreciation meant so very much. So please, if you can spare a moment to reply, these little acts of random kindness will be so magical at this time of year. Thank you ☺

Kind regards, Hayley Adams
