**Term 3 Week 4**  
Friday 26<sup>th</sup> January 2024

Dear School Families

We are now halfway through the term and the children are fully immersed in school life. As I walk around the school, it is lovely to see how engaged the children are in their lessons and how eager they are to articulate their learning.

Over the last two weeks we have been focussing on the School Values: Respect and Integrity. We have been trying to embed these into our whole school culture by ensuring they are integral to all we do and say.

**Parent's Evenings** – Details of how to book will be sent through today, so don't forget to make an appointment.

**Safer Internet Day 2024** will take place on the 6th February 2024, with celebrations and learning based around the theme 'Inspiring change? Making a difference, managing influence and navigating change online'. Please use the following link for parental guidance

## Phonics

We will be introducing a new phonics scheme called Little Wandle to Little Eagles, Reception and Key Stage 1 week commencing 5<sup>th</sup> February. I will be sending more information about this over the upcoming weeks and once the scheme is embedded, I will be inviting parents in to see the delivery as well as holding a parent workshop on how to support your children with Early Reading.

Thank you for your support in ensuring the children are wearing the correct school uniform there has been a noticeable improvement.

A polite reminder from the office, please could you ensure that if your child arrives late that you accompany them to the school office to sign in. Many thanks for your continued support.

## Wrap Around Care

Don't forget we offer Wrap Around Care.

7.45 – 8.45 in the mornings for £4.00. Breakfast is provided and a range of activities are on offer.

## Our Week

Little Eagles – Fun in the Tunnel - Elijah enjoyed putting out the “fire” and giggling as he moved through the tunnel along with his friends.

Class 1 – Hollie liked drawing a spider's web with Mrs Daley.

Class 2 – A class member showed integrity when they were honest that they had not completed their class challenge.

Class 3 – Zack S showed Integrity when he was honest about not finishing his work on time.

Class 4 – In science, we have showed integrity by being honest with each other when carrying out experiments.

Best wishes,
