Term 5 Week 5
Friday 17th May 2024

Dear School Families,

We have one more week to go before we can relax and recharge. The children have worked incredibly hard this term and continue to speak about their learning with enthusiasm. Well done on another great term Team Eagle!

SUN PROTECTION

Now that the weather has shown signs of improvement, please make sure that when it is warm and sunny that your child comes to school with suncream already applied, a named sunhat and water bottle.

OFSTED

Thank you for your support and patience while Ofsted were in, and the completion of any parental questionnaires. The children made me very proud. They were well behaved, welcoming, and extremely polite to the inspectors. We now await the published report.

SATS

Well done to all the Year 6 children, who have worked extremely hard this week. They approached each test with maturity, positivity, and resilience.
