

Friday 7th May 2021

Dear Parents/Carers.

Welcome

In my first few days here at Eagle it has been an absolute pleasure to meet all of your wonderful children. You certainly have enthusiastic and talented children and I already know that we will enjoy learning together. I must extend my thanks to all parents and staff for being so welcoming. I have very much appreciated this.

Safety

Please could I remind parents and carers that at the start and end of the school day the main road outside of school becomes very busy. For the safety of the children, please can all parents and carers pick their children up from the designated exits and please don't beckon children towards the road. Thank you for your help in keeping our children safe.

Highlights of the Week!

Our children enjoy learning so much. Here are our 'highlights' from across our school this week.

Little Eagles – The Elves and the Shoemaker! So of course we have been repairing shoes!

Class 1 – Making fairy gardens...but we haven't seen a fairy yet. We keep on checking!

Class 2 – We've enjoyed our Science. Trees are more interesting than we ever could have imagined.

Class 3 – We loved designing pirate flags and creating pirates. Why are we doing this? Because we 'Arrr'!!

Class 4 – We have thoroughly enjoyed discovering Ancient Egypt. We are now budding archaeologists.

Feeling Unwell

The health of us all in these unprecedented times is critical. If you or your child(ren) have any of the Covid-19 symptoms you/they must get a test and anyone you live with must stay home until you/they get your result – this includes those in your support bubble also.

The main symptoms of coronavirus (COVID-19) are:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

Any call to school in relation to illness will require you to give us your child's symptoms and we will need you to rule out high temperature, cough or change to sense of smell/taste as any one of these symptoms requires a test. Please call on every day of the absence and inform us of any changes to symptoms. Our out-of-hours number for **Covid-ONLY** communication is: **07938 642536**.

Kind Regards

Barry Thornton (Interim Head)
