Term 6 Week 6
Friday 15th July 2022

Dear School Families,

On Monday, we will have arrived at the last week of school ... and no doubt, we will be melting in the forecasted hot weather! In fact, we have received a Local Authority high-level weather warning for Tuesday – so will be reminding children to drink plenty, wear sunscreen, put on their hat and find the shade; whilst ventilating the inside of school as much as possible (please see the additional email sent earlier outlining more details).

With all the events planned for our final week, we will be watching the weather very carefully to ensure that our outdoor activities can still go ahead. Please keep your eye on Dojo and email for any last minute changes.

As a helpful reminder, here is our final week:

Monday 18 th July	Class Swap	Children will go to their new classes and spend the afternoon with their teacher
	Open Afternoon	School is open between 3.15-4.15 for you to see your child's work in their classroom, catch their teacher or pop and see their next teacher for an informal chat.
Tuesday 19 th July		
Wednesday 20 th July	Sports Afternoon	Between 1.00-3.00 we invite you to join us for our Sports Afternoon Event
	Gallery Open Day	At 3.15 please return in to school with you child to see the project homework pieces displayed in a Classroom Gallery

	Leavers & Achievers	Our final event of the year, our celebration assembly starts at 1.15 on the school stage or in wet weather will moved to the Church

Having checked our photo restrictions in the 'IT System Collection & Storage of Personal Data' policy, School is **all clear** for 'parental photography at school plays, concerts, prize givings, other performances and/or sports events', therefore photographs can be taken but for personal use and not to be shared on any social media or in any way. NB: Little Eagles confirmation will be dependent on attendance at their Event on Thursday.

'Our Highlights' of the week ...
