

Friday 18th June 2021

Dear Parents/Carers.

Another busy week has passed and we have thoroughly enjoyed being at school. With your support the children continue to make good progress and are having fun at school. Don't forget to complete home learning as this helps to consolidate or prepare children's learning.

COVID-19 update

After the Prime Minister's announcement on Monday regarding the delay in lifting restrictions in England, updates to guidance were issued to schools on Thursday. As a school we will continue to follow the COVID-19 precautions which I outlined in a letter earlier this week. Our summer events are likely not to have spectators but rest assured we will continue to organise events which your children will enjoy and that will make lasting memories. These will include Sports Day and Leavers events.

Sports Day

Sports Day will take place on Thursday 8th July. The Tokyo Olympics are coming to Eagle!! Don your kit and get into the competitive spirit! There will be an Olympic theme as children represent different countries from around the world and compete in a number of sporting events across the day. Children will also be getting into the carnival atmosphere by creating badges and flags which promote the country they are representing and these will be paraded at the 'Opening Ceremony'. Once the day is complete, one country will be crowned the victors! I wonder which country it will be? Any lunches ordered through Good Lookin Cookin on this day have been changed to a cold packed lunch as part of the organisation of the day.

Highlights of the Week

Little Eagles The cows in the field brought their calves to see us and let us watch them feed.

Class 1 Squishy minibeasts! Worms are more interesting than you think! Did you know they have small hairs to help them dig in soil?

Class 2 We enjoyed making important people in our lives feel special this week!

Class 3 We have been writing instructions on how to find pirate treasure. Splice the main brace and walk the plank!

Class 4 Our tummies were delighted due to the fact that we created an Egyptian feast including Egyptian street food!

What a busy week!

Yours Faithfully

Barry Thornton (Interim Headteacher)
