

Friday 25th June 2021

Dear Parents/Carers.

This term is flying by already and plans are being made to make the end of year as memorable for the children as possible. With so much time in school lost to lockdowns we continue to focus on the academic development of the children in our school. We continue to value your support with this by encouraging good daily school routines and providing children with quiet environments to complete pre-learning or practice skills already learned.

Sports Day

Our Sports Day preparations are still continuing and we are delighted that Little Eagles will be able to have their own Sports Day/Graduation on 1st July 21 - 10.30 – 12noon – please contact us if you would like your child to attend if this is not their normal session. Unfortunately, parents will be unable to attend the event this year to to current Government guidance. I'm sure that this will be a fun occasion for all the children and they will enjoy all of the games and activities prepared for them.

A reminder, that for the rest of the school, Sports Day will take place on Thursday 8th July – **ALL** children will need to attend in PE Kit on Wednesday 7th July & Thursday 8th July of that week. The Tokyo Olympic event line up has been decided, we are looking forward to the competitors arriving on the day. If you have ordered your child a hot school meal this will be converted to a cold packed lunch as part of the organisation of the day.

Absence

Please can I remind parents and carers that when your child is ill please do let the main school office know. If you are taking a child for an appointment, then please do provide evidence of this appointment. Here at Eagle Community Primary school we recognise and understand the issues surrounding holidays and time off school. Please have an honest conversation with us, as it is amazing how many times children give an honest account about their absence. Let's not educate our children to be untruthful and let's have a frank and open dialogue about the all the issues involved.

Highlights of the Week

Little Eagles This week we have been continuing with our Post Office role-play, writing letters and cards to post to our friends. We have also had lots of fun with Coach Ash practicing for our Sports Day on the 1st July.

Class 1 We have been learning how to reduce, reuse, recycle. We have made necklaces from milk cartons. We love showing them off!

Class 2 We made 2D maps of towns to help us find out about new places.

Class 3 We have been planning routes across South America plotting these on maps!

Class 4 This week we have enjoyed making canopic jars! We are thrilled with them.

What a busy week!

Yours Faithfully

Barry Thornton (Interim Headteacher)

Eagle CP School, Scarle Lane, Eagle, Lincoln LN6 9EJ
