

Friday 9<sup>th</sup> July 2021

Dear Parents/Carers.

Well what an extra-ordinary past week we have had here at Eagle Community Primary School. Normally in my newsletter I like to find out what each class has rated as their highlight of the week. But this week there was only one contender. Sports Day!

### **Sports Day**

I know that we were all disappointed that Sports Day could not run as it has done in previous years, but unlike this time last year the children were able to build new memories with their very own Tokyo Olympics. Please see all the pictures of Sports Day on The Whole School Dojo. There were so many happy smiley faces and the children had a wonderful day.

As part of our Sports Day children were representing a country in the Tokyo Olympics. Children took part in a number of events including, archery, football, running, golf, rounders, javelin and many more with the points they scored being added to together to give a total for the winning team. The children put huge amounts of effort into each event and everyone took part, being the best they can be! We also had great fun completing aerobics, taking part in opening an closing ceremonies and making flags for our country. When all the races were over and we had no more breath Great Britain was declared the winning nation! Well done to all who represented Great Britain you won! Many thanks to Coach Ash for ensuring the day ran smoothly – what a challenge!

### **COVID-19 Update and Leavers and Achievers**

Many of you will have heard about the Prime Minister's announcement regarding the easing of restrictions on the 19<sup>th</sup> July. We are delighted that as part of this next step we are able to invite you to our Leavers and Achievers event taking place on Wednesday 21<sup>st</sup> July 2021 at 9.30am. This will be a special occasion for many reasons, but will also be the first time the school has been together as one since March 2020. For further details about this event and the reply slip to notify us of attendance please see my previous letter emailed to you on Thursday.

Due to the fact that these restrictions will be lifted just in time for the end of the school year, routines for being in school will stay as they are for the last few days. There is a tremendous amount of 'bubbles' popping in local schools at the moment and we won't be putting the good work we have achieved here at Eagle in jeopardy for the last couple of days. After all, we want all our families to enjoy the start of the summer holidays together, enjoying yourself and not in isolation.

Once again, can I thank all families for their continued support and we look forward to seeing you soon.

Yours Faithfully

Barry Thornton (Interim Headteacher)
