

Friday 5th June 2020

Dear Parents/Carers

I hope you and your family are safe and healthy and have been able to enjoy the wonderful weather over the half term break. Also, I hope you enjoyed the chance to watch and maybe be part of our Eagle Hero video https://youtu.be/Lj2_VQAL8Xo. We have completed one term of home learning and this week marks the beginning of our next term of home learning. I would like to thank you so much for your patience and understanding as we have adjusted to the changes in life during the last few months. I am extremely appreciative of everyone's support, flexibility and resilience during these trying times.

Last time I wrote, I explained that we had chosen to delay the wider opening of school from the government's ambition of June 1st. School and Governors have 'met' again and reviewed the information in the light of the continued relaxation of lockdown and decided to open for Little Eagles, Reception and Year Six on Monday 8th June. This is done with clear understanding that we are still very much living through a serious pandemic and must all still be very aware of social distancing and staying in our home as much as possible to limit the transmission of the virus and keep everyone safe. Therefore, the school environment and organisation will be very different to that which we left in March and the learning will mirror that being shared at home remotely.

Moving forward, if you have any queries in respect of the remote learning, as the majority of staff will be in school supporting a 'bubble', responding to your questions may be delayed. If you have difficulties, queries or questions, please email enquiries@eagle.lincs.sch.uk in the first instance and we will make sure someone gets back in touch with you. We are looking at ways of linking this within the Dojo message and will let you know once we have a solution.

In closing, something we have looked at a while ago in school through the Class Dojo is 'Growth Mindset'. A growth mindset unlocks our ability to learn and grow especially during challenging times - little did we know how important this would be! You might like to look and share these short cartoons together by searching on YouTube for 'Class Dojo' then: Growth Mindset (hyperlinked picture); Perseverance; Empathy; Gratitude; Mindfulness; Moods and Attitudes; Big Challenges; Respect; Positive Thinking; depending on what area is of most interest. Just a little something as we live through the COVID-19 Pandemic and write history - we hold the pen - together we can write the BEST story!

Growth Mindset for students - Episode 1/5 - YouTube

Thank you for your patience and support.

As ever
Hayley Adams
