

# Little Eagles Newsletter

## A great start to the year!

We have been so happy to show so many people round Little Eagles in the past two weeks 😊

Soon we will be welcoming even more new starters to our successful, growing nursery and pre-school.

## Dojo Story ...

I love checking out the Little Eagles' Class Dojo and this picture made me smile. Our Pre-Reception visitors to Class 1 are so well trained in keeping tidy, cooperating and working together – I hope this is the case at home for you too 😊

## Dinner time ...

If your little one is at Little Eagles over the lunch time, don't forget that you can book a hot school meal if you would like to. Get in touch with us or visit the Good Lookin Cookin website.

## Keeping warm ...

I am never ever warm and love to be cosy and toasty. This is the theme for next week in Little Eagles so any conversations about how we wrap up, fasten our coat or what we can do to warm up will support our learning and explorations next week.

I wonder if there may even be some hot chocolate and a very clever way of putting on our coat shared ...

Try the upside down floor trick – it works
