Happy Faces and Friends

Look at these friendly happy faces. It's so wonderful to see our very youngest children with beaming smiles enjoying their time in school with all their friends. Every session is an opportunity to learn and play together, collaborating, sharing, singing and laughing. Everything that an Early Years Experience should be!

"Promise me you'll always remember: you're braver than you believe, and stronger than you seem and smarter than you think."

Please Note:

Next week is the last week of this term and is only a four day week. We break up on Thursday 13th February and will be closed until Monday 24th February.

ISSUE DATE:
Friday 7th February 2020

Did you know?

This week was Children's Mental Health week and Winnie the Pooh does a brilliant job of sharing the philosophy that we aim to live by. We understand that we are never too young to begin to build this resilience.
