Little Eagles Sports Relief Jungle Run

Sports Relief

Today is Sports Relief and thanks to your donations we have raised £80 to send to the charity. **Thank you** to everyone for entering into the spirit of this charity event 😊

Little Eagles took part in a Jungle Run Obstacle Course today ... Miss Debbie did very well forward rolling and balance when I popped in to see what they were up to!

The children have certainly been very active and had lots of fun moving about in a creative way 😊

Friends of Eagle School

This week, FOES held their AGM and were able to share profitable fundraising efforts and an amazing amounts of super events, activities and support that take place thanks to a committed group of volunteers. I would like to take this opportunity, on behalf of school, pupils and parents to thank FOES Trustees, Committee and team of helpers for everything that they do to add to the experience that our pupils have in their Eagle School journey. Please look out for details of their events – payment envelopes are available in the school office whirly-gig.

Covid-19 – coronavirus

Up until now, minimal changes have taken place this week over and above the advice to increase rates of hand-washing, ‘catch-it, bin it, kill it’ and self-isolate if there are connections with the key areas. However yesterday we have had the announcement that the UK has moved to the delay phase of this pandemic. We have followed the guidelines in school from Public Health and have today received guidance from the LA which supports this. We cannot predict potential future statements, but will take action in relation to the guidance we receive and communicate it to you accordingly should anything change. At present the new information asks that if you have a persistent cough and high temperature, you must self-isolate for 7 days. Please ensure that you are clear about medical reasons for absences when calling in.
